

CLIENT REFERENCES

In well over three decades practicing exclusively as a Call Centre, Contact Centre CRM, BPO, and Customer Management strategic and operational consultant, Rod Jones has provided extensive strategic and tactical consulting management development and training services to a wide range of international and national clients in both the private and public sector through Rod Jones Contact Centre Consulting and through his previous company, C3Africa Group (2007-2011). Further information about individual projects is available on request.
